

HOLIDAY GIFT DRIVE

As part of Princeton Charter School's ongoing efforts to give back to our communities, we are having a gift drive to share the holiday spirit with those less fortunate than ourselves. We are partnering with NJ 101.5 to provide holiday gifts for the residents of a domestic abuse shelter (single moms and children) in the Haslet, NJ area.

Each grade (5-8) will have a specific age group to shop for. Listed below are the gift suggestions provided by the staff of the shelter for each group. All items must be new and unwrapped. (No used items will be accepted). In addition to the items listed, gift cards for the moms to use are also welcome.

There will be boxes for each grade level in the front hallway of the 5-8 building starting on Monday.

All items must be received by this Friday, December 7th
